## CACFP INFANT MEAL APPROVAL SECTION

Dear Parent,

As part of the Child and Adult Care Food Program, we are going to supply the following foods for your infant when they are developmentally ready, following the CACFP Meal Pattern. Please circle foods that you have already introduced to your child at home. When your child becomes of age to eat table foods from the Child's menu, food items will replace baby food items.

Please circle the appropriate food items that you would like us to serve to your child. You may circle more than one item in a group.
